

## Call for Presentations

### **GBCA SUBMISSION GUIDELINES**

All presentations must be geared towards construction professionals.

GBCA is now accepting submissions for the 2019 Construction Technology Expo (October 29, 2019, location TBA). Submissions will close on April 15, 2019.

Presentations should be 1-hour in length with 50 minutes of content and 10 minutes of Q & A.

As GBCA's educational programs are contractor driven at least one builder must share in delivering the presentation.

While non-builders are certainly welcome to submit and present topics, presentations may not promote products or services.

PowerPoint Presentations presented at a GBCA event will be pre-loaded on USB Drives and are due to GBCA no later than 2 weeks prior to the start of the Expo.

Biographical information will be required about 2 months prior to the Expo.

Audio-visual equipment (LCD projector, screen, sound system, and laptop) will be provided.

If you have questions or need assistance, please contact Angela Hendrix, Director of Education, GBCA, at [ahendrix@gbca.com](mailto:ahendrix@gbca.com).
