

CONSTRUCTION LEADERSHIP COUNCIL

2019 GBCA CLC Steering Committee Guidelines

CLC Structure

The CLC functions as a forum in which members can network, socialize, and exchange ideas on issues facing mid-career construction professionals. The CLC is open to all interested GBCA members without the need of a formal appointment process. The steering committee membership rotates on a regular two-year basis.

CLC Purpose

- To be an open forum to exchange ideas.
- To be an entry vehicle into GBCA to promote new member involvement.
- To foster a strong network among peers.
- To create and promote industry innovation.
- To discuss the most important issues and provide feedback to GBCA leadership.
- To help structure GBCA for the future.

CLC Steering Committee

- The Steering Committee will be made up of up to 6 committed CLC members.
- The Steering Committee responsibilities are as follows:
 - Two-year term;
 - Two face-to-face meetings per year;
 - Monthly conference calls;
 - Actively participate and promote at least four CLC member events during the year;
 - Actively participate in the CLC Steering Committee, which drives the initiatives of the CLC
- The Steering Committee will have a Chair and Vice Chair, who will serve one-year terms.
- The Chair will be appointed by the GBCA Chairman.
- The Vice Chair will be chosen at the discretion of the Chair.

New CLC Steering Committee Members

- Those interested in joining the Steering Committee must submit:
 1. The member application form (pages 3 & 4 below);
 2. A signed commitment form (page 5 below) from your employer; and
 3. A letter of recommendation from a peer explaining your eligibility and commitment.
- Completed application and all supporting documents are due **Friday, December 7, 2018.**

CLC Steering Committee Selection

- The CLC Steering Committee will review all nominees during its December 2018 conference call. Most likely a current CLC Steering Committee member will call the nominee and discuss their application in greater detail. A final decision on which members will be selected will be made during the December 2018 call. The members will take into consideration the composition of the current Steering Committee and the number of slots available. They will be looking for nominees who:
 1. Are willing and able to be an active Steering Committee participant;
 2. Can make a two-year commitment;
 3. Will attend the two in-person meetings and monthly calls;
 4. Help diversify the Steering Committee in terms of geographic representation and type of work firm performs; and
 5. Completed all portions of the application, including providing a commitment from the employer and a letter of recommendation from a peer or supervisor.

- Applicants will be notified whether or not they have been selected for the Steering Committee the week of January 1. Their two-year term will begin at the Steering Committee meeting to be held prior to the GBCA Annual Meeting in January, 2019.

- Any nominees who are not appointed to the Steering Committee will be given more information about GBCA committees, forums and divisions, and strongly encouraged to join those of interest to them as well as actively participate in CLC membership events.
