### Description

Demolition, site work, paving and new construction of a bridge / tunnel in Sellersville, Pennsylvania. Design plans call for the demolition of a bridge / tunnel; for the construction of a bridge / tunnel; for site work for a bridge / tunnel; and for paving for a bridge / tunnel.

Sellersville Borough Bucks County

As on January 25, 2019 the project is in development stage. Anticipated letting date is March 28, 2019.

PennDOT - Main Street over SEPTA

\*Project information has been obtained through a public state transportation improvement plan (STIP). A STIP is a financial schedule for short- and long-range projects which is updated regularly. Information listed in the STIP often evolves based on funding availability. The project details, including timeline and value, are subject to change. The content management team will continue to pursue additional details as they become available.
