## Education

### Undergraduate at Temple University

- Major Construction Engineering Technology
- 4<sup>th</sup> year student. Current GPA: 3.28 Graduation Date: Spring 2019

## Experience

### Work-Study in The Temple Architecture Department: Digital Fabrication Lab

Philadelphia, Pennsylvania

February 2017- Current

- Assist students with laser cuts
- Troubleshoot software issues with projects and mechanical issues with laser cutters
- Process payments after cuts are finished

### PennDOT ESTI Internship

Chester County, Pennsylvania

May 2016-August 2018

- Interned under Resident Engineer
- Observed construction of a covered bridge project in East-Fallowfield township
- Calculated amount of aggregate and cement needed for filling/pours
- Collected and documented tickets from delivery trucks for daily reports
- Checked payrolls for fringe rates and proper classification of wages
- Participated in QA/QC of concrete and Steel Bolts

## Relevant Course History

- Applied Statics/Strength of Materials- Principles and applications that apply to construction, civil, mechanical, industrial, and manufacturing
- Civil Engineering Lab- Learned about concrete through application of labs slump test, compression test
- Construction Methods and Materials- Learned about basic construction process from start to finish (excavation-final touches) through many different methods
- Construction Estimating- Learned estimating mechanics through hand calculations and SAGE Software. Completed a total estimate of NPPR Residence Hall Swarthmore College
- Structural Analysis- Calculated support and moment reactions for beams, frames, and trusses
- Construction Scheduling and Planning- Mechanics of scheduling through ADM, PDM, Bar Charts, Pert Method, and Primavera Software

## Skills

- Excellent Communication skills (Written and Verbal)
- Proficient in AutoCad
- Familiar with Rhino, Google Sketch Up, and Illustrator
- Fluent with Microsoft Office Suite
- Basic Surveying Techniques

## Activities

- Secretary of the Temple Construction Management Association of America (CMAA)
- Volunteer at Mighty Writers North 2123 N. Gratz Street Philadelphia, PA 19121

## Awards

- Bank of America Joe Martin Scholarship beneficiary
- Temple University Merit Scholarship
- Temple School of Engineering Scholarship

## EDUCATION

**Temple University**, Philadelphia, PA

Bachelor of Science in Construction Management Technology

December 2019

**Harrisburg Area Community College**, Harrisburg, PA

Engineering Transfer Program

May 2015

## WORK EXPERIENCE

**Pennsylvania Department of Transportation**, King of Prussia PA

May 2018-August 2018

*Engineering Science and Technical Intern, (ESTI)*

- Bridge and roadway inspection:
  - Bridge and highway inspection
  - Materials testing
  - Documentation regarding highway and bridge construction projects

**Tyler School of Art, Temple University**, Philadelphia PA

January 2017-May 2018

*Architecture Digital Fabrication Lab Consultant*

- Assist students in the following operations:
  - Conducting laser cut prints
  - Setting up paper plot prints
  - Using the photo room

## HONORS AND LEADERSHIP

**Temple University Community Service Association**

January 2016-Present

- Martin Luther King Day Volunteering at Berean Presbyterian
- Serve Food at Grace Café
- Fight for Air Climb with The American Lung Association

**National Society of Black Engineers**, PCI Chair

August 2016-May 2017

- Help stimulate interest in Science, Technology, Engineering and Mathematic fields in minority students K-12.

## SKILLS

### Software

AutoCAD, Microsoft Office, Solid Works, Microsoft Visual Basic, and learning RAM Elements

### Building Information Modeling (BIM)

SketchUp and Revit

### Languages

Portuguese and Spanish

# Daniel R. Fritz

## EDUCATION

### Temple University

Philadelphia, PA

*Bachelor of Science in Construction Engineering Technology*

May 2019

- **Relevant Coursework:** Construction Methods & Materials, Construction Planning & Scheduling, Construction Estimating, Structural Analysis, Engineering Economics

## WORK EXPERIENCE

### PJ Dick - Trumbull - Lindy Inc.

Pittsburgh, PA

*Mid-Atlantic Project Intern*

June 2018 - April 2019

Reference: Mike Koza (412)-292-9511

- LifeQuest Assisted Living - **\$24 million**
  - Assisted with supervision and direction of total construction effort, confirming project was constructed within accordance of design, budget, and schedule
  - Calculated and documented contractor performance reports, further ensuring contract compliance
  - Interpreted and processed submittals, RFI's, and QA/QC documentation
  - Performed estimating and quantity takeoff for contract buy-outs, with total saving equaling \$14,000
  - Involved in solicitation of vendors, suppliers, and subcontractors
- Scudder Falls Bridge Replacement BM/AET Building - **\$3.5 million**
  - Provided field supervision of union subcontractors
  - Formulated daily reports after overseeing manpower and progress

### JB Brothers, LLC/ Victory Gardens, LLC

Warminster, PA

*Site Management / Equipment Operator*

May 2017 - September 2017

Reference: Vince Graves: (609)-828-4792

- Utilized Komatsu Wa320, Caterpillar 950M & Bobcat s300 to consolidate construction aggregate, land clearing, and organic waste
- Synchronized grinding efforts of triple ground mulch production

## LEADERSHIP EXPERIENCE

### Construction Management Association of America

*President, Temple Mid-Atlantic Student Chapter*

- Attend Mid-Atlantic chapter Young Professionals programs & luncheons
- Collaborate with industry professionals to organize site tours, networking, and recruiting events
- Facilitate peer & alumni relationships through Temple Student Professional Engineering Council
- Engage and affiliate with other professional construction/engineering organizations

## CERTIFICATIONS, SKILLS, & ASSOCIATIONS

**Certifications & Training:** PROCORE Technologies: Student

**Skills:** Constructware, Plangrid, Bluebeam

**Associations:** CMAA, GBCA

---

### **OBJECTIVE**

I am currently a senior at Temple University, College of Engineering and anticipate receiving a BS in Construction Engineering Technology May 2019. I am seeking an entry level position with a construction management firm such as a project engineer, assistant project manager, junior superintendent, or junior estimator. I have financed my education by working full time in a range of relevant positions as described below.

### **PROFESSIONAL EXPERIENCE**

VELOCITY HVAC, PHILADELPHIA, PA (2017-2018)

#### *Laborer & Sales*

- Made appointments for service calls while assisting each customer's specific needs
- Developed expertise with different types of sheet metals and AC/Heating units
- Completed jobs in a specific time frame
- Maintained a productive and organized work environment

AVF CONSTRUCTION, MANTUA, NJ (2010 – 2015)

#### *Construction Worker*

- Prepared and distributed materials for multiple job sites
- Attained substantial carpentry and masonry skills
- Maintained a clean and organized work environment
- Achieved time and budget goals for each project

XFINITY LIVE – NBC SPORTS ARENA, PHILADELPHIA, PA (2015 – 2018)

#### *Guest Relations*

- Smoothly maintained a 2500-3000-person entertainment establishment
- Took on leadership roles by delegating shift responsibilities
- Independently assessed needs of bartenders throughout shift
- Ensured compliance with safe alcohol distribution
- Planned and coordinated activities throughout shift to ensure full coverage
- Handled customer complaints and special requests

### **EDUCATION**

TEMPLE UNIVERSITY, COLLEGE OF ENGINEERING, PHILADELPHIA, PA  
PRESENT

Construction Management, Bachelor of Science (May 2019)

COMMUNITY COLLEGE OF PHILADELPHIA, PHILADELPHIA, PA  
2015, Criminal Justice, Associates Degree

# **IAN M. COLLINS**

ianmcollins20@gmail.com

206 Spring Garden St. | Easton | PA | 18042 | tel: 484.895.8012

**EDUCATION:** TEMPLE UNIVERSITY, College of Engineering, Philadelphia, PA  
*Bachelor of Science in Construction Engineering Technology*  
Expected Graduation: December 2019  
Current GPA: 3.04

## **COURSEWORK COMPLETED:**

Construction Estimating	Transportation Systems & Management
Soil Mechanics	Construction Planning & Scheduling
Structural Analysis	Environmental and Safety Aspects of Construction
Strength of Materials	Leadership & Organizational Management

**Projects:** Estimate of Wawa Store #499 Remodel Fall 2018

- Estimated entire cost of new fit out for Wawa store located in Sewell, NJ
- Reviewed site plans and performed calculations using RSMeans data
- Computed and analyzed reports using SAGE Estimating

**EXPERIENCE:** **Agate Construction**, Ocean View, NJ Summer 2019  
Summer Internship

**Bluestone Gardens**, Riegelsville, PA Summers 2016 – 2018  
Stone Mason's Assistant

- Assisted with job preparation; gathered tools/supplies, operated light machinery, performed hand excavation, moved materials, assisted with shooting/setting lines, etc.
- Utilized technical masonry; laid flagstone, built walls, point/repoint walls, mixed cement, etc.
- Maintained an organized job-site to keep things running efficiently
- Assisted with job-site troubleshooting

**Subway Restaurants**, Easton, PA 2013-2015, Summers & Winters 2016-2018  
Manager

- Reported sales, inventory, and employee performance to owner daily
- Maintained an organized store-front to keep operations running smoothly
- Answered phone calls, relayed information from corporate to employees, checkout customers
- Maintained restocking of inventory
- Kept records in accordance with health codes

**SKILLS:** **Programs:** AutoCAD, SAGE Estimating, Revit, Microsoft Office Suite

**ACTIVITIES:** Temple University College of Engineering Alumni Association August 2017 – Present  
Construction Management Association of America August 2017 – Present  
City of Easton Mayor's Summer Youth Leadership Camp Summer 2015

# CHRISTOPHER LOGAN

**Mobile:** (215) 531-0356  
**Email:** 95cjlogan@gmail.com

---

## Qualifications

- Multifaceted professional with knowledge and experience in administrative office support
- Proven ability to work as a team and independently with minimum or no supervision
- Possesses strong communication, analytical, math and problem-solving skills
- Projected to complete Bachelor of Science degree for Construction Management Engineering in May 2019

---

## Experience

MAY 2016 – PRESENT

**Office Support Specialist** (Seasonal) | Temple Hospital; Philadelphia, PA

- Provide administrative support for 10+ staff members for the OB/GYN department servicing over 45,500+ patients monthly
- Manage medical records to include archiving for storage and audit file documents for disposal. Adhere to HIPAA Privacy Act policies to ensure confidentiality of patient information
- Create, maintain, and store educational materials in accordance with protocols

SEPT 2001 – JUN 2012

**Eagle Scout** | Boy Scouts of America; Philadelphia, PA

- Earned 25 merit badges and attained the highest rank of The Boys Scouts of America, Eagle Scout
- Organized and monitored merit badge books as a Troop Librarian; created a log for documentation of loaned and returned merit badge books
- Oversaw and supervised younger scouts with merit badge requirements; served as Senior Patrol Leader for various weekend camping trips and summer camps
- Participated in 6+ community service projects annually including recreational center clean-ups, public school revitalization, and local business gardening & ground work
- Painted the gates of Cliveden (a historic battle ground mansion in Philadelphia) as a final project

---

## Education

**College:** Temple University

**Degree/Major:** Bachelor of Science in Construction Management Engineering

**Projected Completion:** May 2019

Demonstrated Hands-On Abilities:

- Research, gather and organize engineering data/information
- Determine the critical path necessary for a project to get done
- Analyze, interpret, and monitor contracts for compliance
- Inspect project details and progress to ensure adherence to specifications and industry standards

**School:** Lankenau High School

**Degree/Major:** High School Diploma

**Completed:** June 2014

## EDUCATION

### Temple University

Majoring in Construction Engineering Technology

Philadelphia, PA

Anticipated graduation May 2019

### Bucks County Community College

A.A.S. in Engineering Technology

Dean's List, National Society of Leadership and Success

Newtown, PA

May 2016

## KEY COMPETENCIES

Customer Service, Leadership, Public Speaking, Organization, Team Work, Writing

## TECHNICAL SKILLS

AutoCAD, SolidWorks, 3D Printing, Surveying, Excel, Word, PowerPoint

## RELEVANT COURSEWORK

Civil Engineering Materials, Construction Contracts and Specifications, Construction Methods and Materials, Engineering Graphics, Intro to Business, Macroeconomics, Physics, Statistics, Surveying

## WORK EXPERIENCE

### Bucks County Community College

*STEM Lab Assistant*

Newtown, PA

2018-2019

- Maintain, organize, and set-up lab equipment for Physics and Engineering courses
- Operate and maintain 3D printers and material testing apparatuses
- Supervise student workers
- Project Manager on Wind Tunnel PECO grant

### Dumack Engineering

*Surveyor*

Richboro PA

SEPTEMBER 2016- SEPTEMBER 2017

- Surveying, Soil testing, Blueprint reading

### H.C. Pody Company

*Assistant to Construction Manager/Field Technician*

Bensalem PA

MAY 2016- SEPTEMBER 2016

- Project management, Surveying, Home repairs, Basic construction, Job bidding

### Bucks County Community College

*Learning Resources/Media Services Operation Technician*

Newtown, PA

Seasonal 2013-2018

- Set up media equipment for faculty and staff, and assist with operation and troubleshooting
- Monitor library media lab and Inventory equipment

### Jules Thin Crust Pizza

*Cashier/Server*

Newtown, PA

2015-2016

- Serve customers and cash register; Maintain store, grounds, and equipment

### Feeney's Nursery

*Lot Attendant*

Feasterville, PA

2012-2013

- Stocked shelves; Maintained foliage, grounds, and facility

## COMMUNITY OUTREACH

### Bucks County Community College

*K-12 Robotics Workshop Technician*

Newtown, PA

2012- 2014

- Assisted teachers with computer interfacing of educational robots

EDUCATION: MERCER COUNTY COMMUNITY COLLEGE, Princeton Junction, NJ  
***Civil Engineering Technology Major; 2012 – 2015***

TEMPLE UNIVERSITY, College of Engineering, Philadelphia, PA  
***Construction Engineering Technology Major; 2015-current***

Related Courses: Planning & Scheduling- using Microsoft Project, Excel  
Construction Estimating- using Sage, Excel  
Engineering Graphics- using AutoCAD

ACTIVITIES: Mercer County Community College Engineering Learning Community

EXPERIENCE:

Field House Sports Bar October 2018 - Present  
**Barback**

- Identify needs of all fellow employees and attempt to satisfy needs prior to their needs
- Assist management with long-term decision making
- Lead fellow employees to a plan for large events
- Report and help assist management on details and quantity of supplies, the volume of usage of supplies, and effective ways to use supplies in the future
- Identify potential risks and devise systems to prevent or limit company liabilities

Primo Hoagies August 2013 - July 2016  
**Shift Manager**

- Investigated and resolved complaints regarding food quality, service, or accommodations.
- Scheduled and received food and beverage deliveries, checking delivery contents to verify product quality and quantity.
- Established standards for personnel performance and customer service.
- Recorded the number, type, and cost of items sold to determine which items may be unpopular or less profitable.

A. Larovere Consulting (non-Profit) July 2012 - July 2013  
**Office Clerk**

- Compiled, copied, sorted, and filed records of office activities, business transactions, and other activities into proposal booklets.
- Managed inventory and ordered materials, supplies, and services.
- Shadowed President on negotiating or approving contracts or agreements with suppliers, clients and state agencies.

SKILLS:

- Skills: Microsoft Office 2017 (Word, PowerPoint, Excel)
- Microsoft Project
- AutoDesk: AutoCAD
- Sage
