Marshall Goldsmith: What Got You Here Won't Get You There (2 Session Seminar - 3 hour Live Online Workshops)

Dale Carnegie is excited to partner with Marshall Goldsmith to make one of the most effective management development methodologies accessible, convenient, live and online! This dynamic session will help you identify and overcome 20 of the most common interpersonal challenges often found in leadership behavior. You'll learn a seven-step method to get rid of bad habits or make adjustments to habits you want to change. You'll apply a variety of methods to gain feedback and practice feed forward - a simple yet powerful process that turns feedback into productive action.

Coaching for Improved Performance (2 hour Live Online Workshop)

Accountability starts with clearly defined performance objectives. Good leaders measure individual and group contributions against those goals, working diligently to close the gaps. Holding others accountable to their goals provides opportunities for growth, learning, and ongoing motivation. This workshop provides effective coaching techniques and other tools to help close the gap between expected performance and actual results

Successful Public Speaking (3 hour Live Online Workshop)

Successful Public Speaking uses the foolproof methods of Dale Carnegie to turn you from a nervous novice into a confident presenter. Dale Carnegie believed that public speaking is a skill to be learned, not an inborn trait. He validated that belief year after year by turning out the most accomplished speakers in the world.

Delegation (3 hour Live Online Workshop)

Delegation isn't just about moving stuff off your plate. It's about developing others while efficiently achieving specific organizational outcomes. Delegation takes some work on a leader's part to determine who is ready for specific assignments and who can take ownership, while not taking control.
