

100% Fall Protection Training

Powered by: *United Academy*®

GBCA, in partnership with United Academy, is pleased to offer an online training course for 100% Fall Protection. 100% Fall Protection is an intermediate online course designed to teach you the basic guidelines and methods of fall protection safety.

IN THIS COURSE, STUDENTS LEARN:

- To prevent fall injuries and fatalities and the definition of 100% fall protection
- Six steps of the fall protection program
- How you can make the program work at your construction site
- How to recognize, evaluate, control, and eliminate fall hazards at the job site

COURSE DETAILS:

- Available online, anytime

- Offered in English
