

Construction Safety in the Age of COVID

Virtual Panel Discussion

Frank Baxter

*EHS Director
Skanska USA Building*

Dona File

*Corporate Safety Director
L.F. Driscoll*

Jeffrey Spatz

*Vice President Safety Services
Graham Company*

Panelists discuss how the construction industry responded to the pandemic from a safety perspective. The panel is comprised of leading contributors to new safety protocols for the construction industry that are being adopted throughout the city.

October 13, 2020

5:00pm-6:30pm
